

**REMARKS**

Applicant wishes to thank the Examiner for reviewing the present application, and for the indication of allowability of claims 2, 4, 5, 8, and 9, if written in independent form.

The subject matter of claim 2 has been incorporated into claim 1. The subject matter of claims 7 and 8 has been incorporated into claim 6. Claim 5 has been rewritten in independent form incorporating all of the subject matter of previous claim 1. Claim 9 has been rewritten in independent form incorporating all of the subject matter of previous claim 6. It is now believed that the Examiner's novelty and obviousness objections have been traversed, and that, as indicated by the Examiner, the application is in a position for allowance.

Claims 1 and 6 have also been amended to address the Examiner's objections to the phrases used in these claims. Specifically, line 4 of claim 1 has been amended as follows: "... [[a]] the location...", and claim 6 step (c) has been amended to recite "...from the external...", as suggested by the Examiner.

In view of the foregoing, the Applicant believes that the amended claims submitted herewith are in condition for allowance. Applicant requests early reconsideration and allowance of the present application.

Respectfully submitted,

John R.S. Orange
